## From the Principal:

Dear Hawthorne Parents,

Each year, all schools in our District solicit parent feedback in an effort to improve our educational programs and to ensure we are doing our best to meet academic, social and emotional needs of our students.

Please consider taking time to complete our annual Parent Survey by entering the following: <https://www.surveymonkey.com/r/SLCUSDHA2017> If you prefer, you can fill out a paper version of the survey in our front office; stop by our computer lab from 6:00 – 7:30 during Open House; or you can print a copy and send it in with your child.

Thanks in advance for taking the time to give us feedback!

## From our School Nurse:

Allergies have come to San Luis Obispo with the arrival of Spring. If your child is experiencing the symptoms of what appears to be a cold; sneezing, clear runny nose, coughing, itchy nose or throat or red eyes, seasonal allergies might be to blame. Medicines can help to ease allergy symptoms.

Any medication brought to school can only be dispensed by the school nurse or other designated staff. This means your child should not be carrying medication in their backpacks or pockets. These include medications such as rescue inhalers for asthma, cough drops, Advil, Tylenol or any over the counter drug. Please do not send your child to school with medicine.

If your child needs to receive medication while at school Only medical doctors are authorized to direct the use of medication on a school campus. Parents can pick up a Medication Consent Form from the school office to complete along with their child’s doctor. Return this completed form to the school office along with the prescription or over-the-counter medication.

COLOR SCREENING for first grade boys will be taking place during the month of April. If you do not want your child screened please send a written note to the school office.

Order forms were sent home with your students but you will find some in the school office. You could also order online until April 21<sup>st</sup> at [ybpay.lifetouch.com](http://ybpay.lifetouch.com) use school access code 12350217. The price is now \$15.
